The Senior Class
of
Powell Valley High School
Big Stone Gap, Virginia
presents
The Seventh Edition of the

VALHALLA

Foreword

Herein are recorded the highlights of the year 1965-66. It is but one chapter in the history of Powell Valley High School. Yet it marks the pinnacle of the journey for the Class of 1966. We have tried to preserve the beginning and ending, the working and playing, and the teaching and learning—in this, the Seventh Edition of the VALHALLA.

Alma Mater

To Vikings bold we give our love,
Our dreams, our tributes true.
Through life's full course
    our hearts will move
To bring you honor too.
So hail to thee, O noble school:
Stand firm and strong and right;
And may we ever look to thee
For strength, love, and purity.

Principal

MR. HARLEY STALLARD,
Director of Instruction of Wise County Schools

MR. W. D. RICHMOND,
Superintendent of Wise County Schools

MRS. PATSY ARNOLD,
our efficient secretary

To the Class of 1966:

Along the trail many interesting experiences and problems await you. How you meet these will determine your progress. Some will stop at the first hill. Some will stumble and fall over the rocks. Some will become mired in the mud. Some will fall from the cliffs along the way. Others will just linger with many stops and starts. A few will reach the end of the trail—a happy and useful life. How far are you going?

Your Principal,
J. P. Horton

Class History

Again history is repeating itself, and Powell Valley High School is graduating another Senior Class of young citizens. It is more gratifying to look to the future where the stars and dreams are bright than it is to look back at what cannot be changed. We, the Senior Class of 1966, are proud of our history but eagerly, yet anxiously at times, await the future in anticipation of brighter and newer horizons.

Each year the graduating class leaves a mark of distinction with the school. It may not be specifically named, but it is embedded in the tradition, memory, and soul of the school. No alumnus can return to his alma mater and honestly say there has been no change. The changes may not be in the physical plant, but there are changes that have been initiated, nursed, and realized by the students and the faculty. Changes that were once dreams become part of the routine—changes that cannot be named but are ever with us.

Powell Valley has given to us. Could a value be placed on learning to live? Could a value be placed on knowledge? Could a value be placed on friends? We are indebted to Powell Valley, but we can never repay this debt.

Each year Powell Valley goes through a carnival of events, designed for the students' entertainment and education. We have experienced all of these—the thrill of the first day of school, the insecurity of being a sub-freshman, the fellowship of clubs, the heartbeat of the thrilling moments in sports, the pondering over a math problem, the band and Glee Club concerts, the weekly assembly programs, the English assignments that we can't wait to get, the Homecoming Dance and the Junior-Senior Prom, taking College Board Exams, and other events, too numerous to mention. We have loved it. We shall miss the security of high school. Responsibility is frightening, but we will accept the responsibility of being an adult more easily because of our preparation in high school.

It is our hope that Powell Valley is a better place in which to live and learn because we have been there: this is all we can offer, for it's all we have.

Each day a flag is raised in front of Powell Valley. This will never change. The love of freedom that our flag symbolizes is part of our very soul. We dearly love it and are ready to die for it.

It is time for us to part and we say to you, Powell Valley, "Goodby . . ."

Our Junior year has been very exciting and rewarding. Taking NMSQT and Scat and Step tests, attending club meetings, electing representatives to Boys' State and Girls' State, and planning "our" Junior-Senior Prom have been the highlights of our year.

When we finally ordered our classrings and chose our calling cards, we knew we were well on our way to being "mighty seniors."

We, the 1965-66 sophomores, having completed half the journey on the trail of our high school career, are anticipating with enthusiasm our last two years. Realizing the importance of our education and our prospects for college or career, we are planning our last two years very carefully. Every day we are meeting new responsibilities and challenges and are learning to face them.

We would like to express our appreciation to our teachers. Our deep sense of pride in our school grows with each passing year.

The Freshman Class of Powell Valley entered school with confidence and ambition. We were taking another journey on the trail of our high school careers and we were determined that it would be successful.

We were allowed to participate in more clubs and activities, and as a result, felt more a part of Powell Valley. We learned the importance of accepting responsibility for our own actions and of acquainting ourselves with our teachers.

We, the eighth grade class of Powell Valley, entered our high school careers with much enthusiasm. After the first few weeks of entering wrong classes, fixing broken lockers, and losing books, we finally grew accustomed to the routine of high school life and settled down for a year of study and hard work.

Going to assemblies, pep rallys, ballgames, and club meetings—all these were a part of our new experiences and helped to make our year exciting.

We extend our thanks to our teachers, who have helped us in making our first year at Powell Valley successful.

Viking Band

Director: Mr. David Tipton

Looking back over the year's work of '65-'66 our Band can say with pride that it was a satisfactory and successful year. From the first blast of Libby's whistle in August to the all-important moment on October 2 at the annual Bristol Band Festival, afternoons were spent marching on the field, practicing music, working up dance routines, pleading for rest breaks (usually not getting them) and somehow ending with good shows. Then all this work proved worthwhile when we brought back from the Chilhowie Apple Blossom Festival a Division I trophy and two weeks later from Bristol the only Division I trophy received by a Wise County band.

The next few weeks were put into studying basic musical terms and rhythms, then Christmas carols were rehearsed before the Band participated in two Christmas parades sponsored by the merchants of Big Stone Gap.

On February 4, 5, and 6 the All-State Band West was held at Powell Valley for the first time in the history of the school. A total of 168 students were involved, including seven Vikings. This profitable week end brought people from many surrounding areas and brought much credit to our school.

As spring rushed along, hard work was again the prescription. Many hours were spent working on music for the Regional Festival. Soon after was the annual Spring Concert, highlighted by the presentation of the McChesney award.

With the close of the year, the Band had several suggestions and ideas to consider for a summer trip.

Much thanks must go to Libby Gillenwater, our drum major; Mrs. David Tipton, majorette instructor; and especially Mr. Tipton, our director and drillmaster.

The Story of the Viking Pixies

We, the Powell Valley Pixies of 1965, repeated another successful marching season. Performing our routines on the football field and marching with the band in two Christmas parades completed our busy schedule.

Only we twelve girls can recall the fun we had during the number of long hours of practice which preceded each show. We take great pride in our drill team and eagerly await another prosperous year in 1966 under the capable direction of Mrs. David Tipton.

Nearly any morning at activity period the blending voices of boys and girls could be heard in the south end of the hall. Being a member of the Glee Club is one of the most desired and coveted positions in our school. Many hours of practice constitute the scene before the presentation of a program. We performed our annual Christmas caroling at the elementary schools and Christmas concert with the help of the band. Our Spring Concert was composed of music from "Oklahoma," "Mary Poppins," and "Hello Dolly". Under the capable direction and guidance of Mr. Gibbs, the 1965-66 Glee Club enjoyed a most successful season.

During its second year the Student Co-operative Association has continued to grow, making greater strides toward fulfilling its aim of benefiting the school, student body, and faculty. One of our main goals for this year was the fulfillment of the state S.C.A. theme, FIRST*. Among our projects we can list the following: orienting the eighth graders, sponsoring the homecoming ceremonies, selling bleacher seats, sponsoring intramural basketball games, purchasing a new national flag for our school, and establishing a fund to purchase a school sign. But we are proudest of another of our accomplishments. This year we were host to the first meeting held in several years of the Natural Tunnel District of the State S.C.A., and we hope that through our efforts our district will be reactivated.

It is the council's sincerest hope that we have successfully fulfilled our duties this year, and we wish to extend our sincerest appreciation to Miss Sarah Broadwater for the interest she has shown and the help she has given us.

The Key Club of Powell Valley High School, a part of Key Club International, is a club sponsored by Kiwanis International. Its motives include developing initiative and leadership, promoting good will, preparing for useful citizenship, giving primacy to the human and spiritual, rather than to the material values of life, and serving the school and community.

During this past year some of our projects and activities included collecting and delivering food, toys, and clothing during the Chirstmas holidays for needy families, selling programs at home basketball games, lining off the football field for home games, working at the Singing Convention, and ushering at the outdoor drama, *Trail of the Lonesome Pine*.

The Key Club, a club for "key boys" with "We Build" as our motto, has tried to be a helpful service to the school and community. Our sponsor, the local Kiwanis Club, has helped us very much. Special thanks go to our school principal, Mr. J. P. Horton, our school sponsor, Mr. Rucker Skeen, and our Kiwanis adviser, Mr. Bill Akers, Sr. Through their guidance and supervision, they have helped us to make this a successful and enjoyable year.

The Lonesome Pine Co-Ed Hi-Y Club, consisting of forty-six members, has tried to live up to its platform—"Clean speech, clean sportsmanship, clean scholarship and high standards of Christian Character."

We were hosts to the District Workshop Conference held at our school September 7; we attended our District Conference held October 30 at J. J. Kelly High, Wise, Virginia; and we took part in a county wide Induction Service held at Norton Methodist Church, November 6.

Our most rewarding project of the year was a Christmas Party, which we sponsored for needy children from both East Stone Gap and Big Stone Gap elementary schools.

We also presented a talent program in Assembly, called "Whing Ding." Our other money making project was the sale of Viking car tags, displaying the school emblem and colors.

We achieved an Ace Rating for the two years, 1963-64 and 1964-65. We are trying to achieve this rating for five consecutive years, at which time we will earn a *Placque*, presented by the YMCA.

Two of our members, Libby Gillenwater and Judith Body, attended Blue Ridge Assembly at Asheville, North Carolina, the past summer. We were represented at the Model General Assembly, held in Richmond, Virginia, by Campbell Cawood and Henry Stout, Jr.

We would like to thank Mrs. Rose, our sponsor, for the guidance and interest which she has shown in our club.

The Lucky Leifs

As the seventh Library Club of Powell Valley High School, we feel that we are maintaining our specific objectives of promoting a better understanding and greater use of the library books and materials among students and teachers, stimulating reading interests, and improving the library services of our school. Our club motto is: "We never guess; we look it up!"

The members, who number nineteen, are encouraged to maintain a high scholastic average, and to exhibit qualities of good leadership. Scheduled meetings are held on the first Wednesday of every month. During the year many attractive displays were featured, book markers distributed, and special instruction given in the use of the library to all eighth grade classes and other English classes. Many new books have been added to the library shelves.

In addition to routine library activities, the club celebrated National Book Week and sponsored an assembly program with Mr. Luther Addington, author of several well-known books and former principal of Kelly High School, as our speaker. Another pleasurable annual event was our new display and faculty party.

The Library Club commends its industrious and talented sponsor, Miss Billie Jean Scott, newly elected Treasurer of the Department of School Librarians, Virginia Education Association.

Tempus fugit! And how time did fly this year as we Latin students, members of the Roman Club of the Junior Classical League, completed another year of Latin. The highlight of the year was the annual banquet held in March with its theme "The Ides of March." "Slaves" were first year students and the "royalty" were second year students and honorary members.

Completing our study of Latin has given us a better knowledge of our own language and a better understanding of the ancient Roman civilization.

The purposes of the French Club are numerous. In our study of French I and II, we strived to learn more about the speaking of the language, to study the government of France, and to gain a greater understanding and appreciation of the customs of the French people.

At the first of the year, several of our class periods were spent listening to records and tapes of French conversation, idioms, and basic pronunciation.

Also at Christmas we sang Christmas carols in French while we studied Christmas customs and traditions in France.

Our thanks are extended to Mr. Earl Mullins, our new French teacher and sponsor.

We the Spanish Club Members of '65-'66 have evolved from mere English speaking students to English *and* Spanish speaking students.

Through the aid of films, records, and tape recordings, we have expanded our knowledge and understanding of Spanish peoples throughout the world.

Our class periods, spent in vocabulary study, pronunciation drill, and translating interesting and informative lectures, also involved many in lively discussions of Spanish customs and traditions.

In the spring, members of both first and second year classes worked together to present an assembly program sparked with colorful costumes and amusing skits.

This magnetism of Spanish has been expertly conveyed to us by our sponsor, Mr. Wade Miller, Jr.

The Bi-Phy-Chem Club, better known as the Science Club, was created four years ago. The main purpose of the club is to promote scientific ideas and interests among its members. The members are those students who are taking or who have previously taken biology, physics, or chemistry.

The Science Club conducted the annual science fair which was held in February. Visitors from the surrounding area came to view and admire the projects.

We sincerely thank our capable sponsors for the time they have so willingly devoted to us during the year. They played a large part in making this another productive year for the club.

At the beginning of the school year nineteen students eagerly plunged headlong into a course which we all knew would be a welcome change from the daily classroom procedure.

Our first speeches were those in which we told something of ourselves, our interests, and our ambitions. The main purpose of these talks was to overcome our number one enemy—stage fright.

The highlights of '65 were the election of our class officers; making a Homecoming Banner; presentation of the play, "Father Lives With Seven Women", which was presented to both the student body and the PTA; and the ordering and receiving of our club pins.

Speech is a very entertaining course and is also one of the most helpful. The things learned in speech class will be very useful in our everyday lives.

Our thanks go to our very capable sponsor and teacher, Mrs. Grace Rose, whose limitless ideas have made this a very profitable year.

Learn, live and serve through 4-H. In 4-H our motto is "To make the best better."

Our Creed is:

I believe in 4-H Club work for the opportunity it will give me to become a useful citizen.

I believe in the training of my HEAD for the power it will give me to think, to plan, and to reason.

I believe in the training of my HEART for the nobleness it will give me to become kind, sympathetic, and skillful.

I believe in the training of my HANDS for the dignity it will give me to be useful, helpful, and skillful.

I believe in the training of my HEALTH for the strength it will give me to enjoy life, to resist disease, and to work efficiently.

I believe in my country, my state, my community, and in my responsibility for their development.

In all these things I believe, and I am willing to dedicate my efforts to their fulfillment.

Art is an ever widening field. We Art Club students have a better understanding of this fact after a year's study of learning to sketch, to draw, and to paint. During each phase of study, we students have had a chance to experiment with our talents in finding our art potentials.

We have displayed our talents by designing and decorating the exhibit on the bulletin board in the Art Room.

In addition to drawing, sketching, and painting, this course also included art history, art appreciation, and a poster contest on "Keep Virginia Green".

We wish to compliment Mrs. Jarrett, our sponsor, for her encouragement in making this an enjoyable and instructive course.

The Future Business Leaders of America is an organization for students in business education. Any student who is taking at least one business course is eligible for membership.

The major purposes of our club are (a) to develop competent, aggressive business leadership, (b) to encourage members to improve the home and community, (c) to create more interest and understanding in the choice of a business occupation, and (d) to develop character traits for useful citizenship, and faster patriotism.

As a member of the F.B.L.A. Club, students strive to develop the qualities necessary in becoming a Future Business Leader.

We wish to express our gratitude to our capable sponsors for their help and guidance in preparing us for the business world.

The primary objective of the Distributive Education program at Powell Valley is to prepare youth for full time employment in the field of distribution. The course also serves as a background for those who plan to continue advanced training on the college level in business and administration, marketing, advertising, consumer education and related fields.

To successfully achieve this objective, distributive education combines classroom instruction with practical work experience in merchandising, selling, or service trade areas.

Vocational Office Training is a class for senior students which prepares them for a business career. It is full of various studies ranging from "filing" and "transportation" to various calculators, duplicators, adding machines, dictating-transcribing machines, and many other business machines used in today's business world.

V. O. T. is also a part-time work program. The course offers two units for those who work and one unit for those students who do not. Students taking advantage of this course are permitted to work in a local business office if they do desire. Through working, they learn the many aspects of full-time employment as well as learning to work well with others.

The V. O. T. Club plans a trip to Gatlinburg in the spring.

The members of the 1965-66 V. O. T. Club wish to thank Miss Siphers for her help and guidance in preparing us for the future in the ever-expanding world of business.

The Girls' Athletic Association was formed in 1960 in order to focus more attention on physical fitness. The purpose of the G. A. A. is to help girls develop patterns of wholesome and effective behavior in the areas of human relations, use of leisure time, and the qualities which contribute to successful living. The recreational nature of the G. A. A. is basic to all other functions.

In order to become a member, one must maintain an 85 average in her academic work, 90 in physical education, and must display competence in physical education activities.

The activities of the Athletic Association are under the supervision of our capable sponsor, Mrs. Chandler.

The Viking Story

With a squad consisting of only seven seniors sprinkled among underclassmen, the 1965 edition of the Vikings posted their most successful campaign in five years. The Big Red and Blue began their season on an unhappy note, dropping their initial tilt 13-12 to the Wise Indians. The Vikings roared back, however, to cop seven victories in their next eight starts. Much of the success of our 7-3 record was due to the excellent leadership of tri-captains Joe Fox, Bo Lane, and Johnny Black, and also the great spirit of unity and teamwork displayed by the squad as a whole. Not enough praise can be given our coaches, Garnett Gilliam, Cecil Maddux, and Rexal Carnes, who completely dedicated themselves to the task of making us a winning team.

Under the first year direction of Coach Don Campbell, the Vikings compiled an 8-12 mark. The team showed certain signs of future greatness, however, as an array of sophomores and juniors saw much game action.

Among the high points of the season were the fired-up team play against powerful Gate City, Johnny Black's cracking the 1,000 point barrier, and the two regular season victories over Appalachia.

The team found the going rough in the Wise County Tournament as they were eliminated in the first round by Appalachia 72-52, in a rough-and-tumble affair. Again, in the Lonesome Pine Tournament, the Vikings were upset victims of Coeburn 66-51.

Under the experienced hand of Coach Cecil Maddax, the Junior Varsity squad compiled a 6-12 record. The boys lost several close games, but they showed diligence in working at the fundamentals of the game, which is one of the major objectives of J.V. basketball. These are the boys who will be counted upon to furnish the varsity, so it is evident that we can look forward to successful seasons if the improvements shown at the season's end is continued.

With a youthful baseball team riddled by illnesses and ineligibilities, the baseball Vikings finished the season one game below the .500 mark. The pitching staff, paced by Jimmy Kelly, carried the brunt of the attack as the hitters failed to come through. The goal of this season's Vikings will be to coordinate their hitting and pitching. We are sure that they will return to the leader that they annually are in Wise County baseball circles.

The Vikings posted one of their most successful track seasons ever as they placed second in the District track meet. Tremendous individual talent and effort were abundant as Coach Garnett Gilliam's forces took the field. Surely, the achievements of last season's track team will be a challenge for teams to come.
